Welcome to Silver Sands Holiday Park. It really is the perfect place to enjoy your next holiday.

July 1st saw some huge changes at Silver Sands Holiday Park (SSHP) with new Park Managers, Casey & Adrian Easdown, taking over management of the park. Moving up from Urunga Heads Holiday Park, another North Coast Holiday Park, where they started their park management career 18 months prior. They have already recognised a few of their past Urunga guests popping in to stay and they would warmly welcome any more that would like to visit. Casey and Adrian have opened the Riverfront area, or overflow area of the park all year round now. Instead of it being only used for the peak holiday periods it was considered such a waste not to use that area all the time, due to the beautiful water views of the river out to the river mouth, large grass sites and grass areas for the kids to enjoy. It's also close to the kiosk with great coffee and meals, and we have guest amenities at both end of the Riverfront area.

North Coast Fishing Bonanza 30th Sept – 2nd Oct

Silver Sands Holiday Park

The park will be holding activities for the kids during all of the school holidays. Activities will range from plaster painting sessions, sandcastle building competitions, scavenger hunts plus many more fun activities. All year round at the park we have our ever popular Berg pedal carts available for hire. Now a minor change but a change that brought on the most comments, was the upgrade of toilet roll dispensers in all of the amenities. Anyone who has stayed at the park previous will know the difference as now the park has nice big 2 ply jumbo rolls which everyone loves. Casey, Adrian, and all the staff at SSHP look forward to meeting all of the regular guests and the many new guests that will come to beautiful Evans Head.

Farewell from Silver Sands and everyone here at the holiday park, we hope you enjoyed your stay and we look forward to seeing you again soon. Travel safely!
